

# Ya Baba (feat. Rami Beatz)

## Zack Knight

Pull up to the spot and let me see whats underneath it  
you don't have to panic girl i know just how to treat it  
Let me see you back, back, back it up for me baby  
body fresh to death  
I-lay it out for me babywhen you work it so perfect i wanna cal you my habibi  
I love it, 100, wanna hear you say inta-hayati  
never caught your name  
but this the perfect place to leave the crew go hiding  
we can vibe it till the morning lightallah allah ya baba  
we salam 3alek ya baba  
allah allah ya baba (ya baba)  
we salam 3alek ya baba  
allah allah ya baba (ya baba)  
we salam 3alek ya baba  
sidi mansour ya baba (ya baba)  
sidi mansour ya baba  
wenjek enzour ya baba 2x  
ya baba ohhheverything you heard about me  
spreading rumours tryna bring me down  
you know i aint about it  
I'm about the simple life  
so go ahead and drop, drop, drop the front for me baby  
i aint tryna run game but do you wanna get down with me baby?when you work it so perfect i  
wanna cal you my habibi  
I love it, 100, wanna hear you say inta-hayati  
never caught your name  
but this the perfect place to leave the crew go hiding  
we can vibe it till the morning light  
allah allah ya baba  
we salam 3alek ya baba  
allah allah ya baba (ya baba)  
we salam 3alek ya baba  
allah allah ya baba (ya baba)  
we salam 3alek ya babasidi mansour ya baba (ya baba)  
qalbe majnun ya baba I wanna be (ya baba)  
Inti mahboob ya baba  
ya baba ohhhGirl where you been all my life?  
I got a pretty thing but you wife  
And theres something about you in all black  
I gotta feeling that you'd be my type (uh)  
Uh i love to see a girl with some modesty  
take a chance why u scared, u aint gotta be

girl ur da only one i wanna holler at  
all these other girls i see they jus wannabeslocked in  
loved up  
ROD (Ride Or Die)  
but he fucked uphe talk game  
but we live that  
that oil money  
we dig that  
yeh yeah yeah we out the box  
come in looking fresh when we on the spot  
they wanna know whats next, they wanna know whats up?  
So i, so i, so i upped the lev's  
(sidi mansour ya baba (ya baba))  
(sidi mansour ya baba)
