

On the Phone

Julian Lennon

I'm on the phone once again
I feel like callin' ev'ryone I know
I called my girl twice last night
She always cries when we have a fight
Ooh, I'm down on my luck again
I really don't know what to do
Yes, I'm down on my luck again
and I don't know what to do
But baby, I'll call you as soon as I get home
I'm on my own once again
I feel the need to be with someone
All my friends have been and gone
My girl's at home and she's all alone
Ooh, I'm down on my luck again
I really don't know what to do
Yes, I'm down on my luck again
and I don't know what to do
But baby, I'll call you as soon as I get home
I'm on the phone once again
I feel like callin' ev'ryone I know
I called my girl twice last night
She always cries when we have a fight
Ooh, I'm down on my luck again
I really don't know what to do
Yes, I'm down on my luck again
and I don't know what to do
Yes, I'm down on my luck again
and I don't know what to do
Yes, I'm down on my luck again
and I don't know what to do
But baby, I'll call you as soon as I get home
Doot doot doo da...
Doot doot doo da...
Doot doot doo da da da da
Doot doot doo da...
Doot doot doo da da da da...
