

# Call On Me

## Jah Cure

Heyyyyyy ohh  
Oh yeah  
Oh yeah, yeah I  
Love you, I love you, I love you, I love you, yeah I  
All my ladies, all my ladies now  
Cure again, yeah I Anytime you need a lover call on me, I'll be waiting  
Anytime you need a lover call on me, my heart is aching  
Call on me, anytime you want to  
Call on me baby girl I want you  
Ah huh  
We grew together from way back when  
She was nine and I was ten  
She used to be, my next door neighbour  
She even went to school with my sister Makayla... yeahh  
Now were two grown folks, years gone by and we still keep close  
Loving me, I'm loving her... the same  
I just want you to know that I love you soo... ohhhh Anytime you need a lover call on me, I'll be  
waiting  
Anytime you need a lover call on me, my heart is aching  
Call on me, anytime you want to  
Call on me baby girl I want you (want you)  
Ah huh (want you) Loving like they met the same  
We were young and playing games  
I fell in love the first time I saw you  
And I don't ever worry cause I know can call you... yeahh  
Now were two grown folks, years gone by and we still keep close  
He's lovin me, I'm lovin him the same as  
Anytime you need a lover call on me, I'll be waiting  
Anytime you need a lover call on me, my heart is aching  
Call on me, anytime you want to  
Call on me baby boy I want you Now we've reached so far (reached so far)  
We won't turn back again (yeah I)  
Love, lovin you (lovin you)  
There is no enddddddd  
(no end, no end, no end, nooo)  
Lovin you  
Ahhhhh  
Anytime you need a lover call on me, I'll be waiting  
Anytime you need a lover call on me, my heart is aching  
Call on me, anytime you want to  
Call on me baby girl I want you

Ahhh
