

Call On Me

Jah Cure

Heyyyyyy ohh
Oh yeah
Oh yeah, yeah I
Love you, I love you, I love you, I love you, yeah I
All my ladies, all my ladies now
Cure again, yeah I Anytime you need a lover call on me, I'll be waiting
Anytime you need a lover call on me, my heart is aching
Call on me, anytime you want to
Call on me baby girl I want you
Ah huh
We grew together from way back when
She was nine and I was ten
She used to be, my next door neighbour
She even went to school with my sister Makayla... yeahh
Now were two grown folks, years gone by and we still keep close
Loving me, I'm loving her... the same
I just want you to know that I love you soo... ohhhh Anytime you need a lover call on me, I'll be
waiting
Anytime you need a lover call on me, my heart is aching
Call on me, anytime you want to
Call on me baby girl I want you (want you)
Ah huh (want you) Loving like they met the same
We were young and playing games
I fell in love the first time I saw you
And I don't ever worry cause I know can call you... yeahh
Now were two grown folks, years gone by and we still keep close
He's lovin me, I'm lovin him the same as
Anytime you need a lover call on me, I'll be waiting
Anytime you need a lover call on me, my heart is aching
Call on me, anytime you want to
Call on me baby boy I want you Now we've reached so far (reached so far)
We won't turn back again (yeah I)
Love, lovin you (lovin you)
There is no enddddddd
(no end, no end, no end, nooo)
Lovin you
Ahhhhh
Anytime you need a lover call on me, I'll be waiting
Anytime you need a lover call on me, my heart is aching
Call on me, anytime you want to
Call on me baby girl I want you

Ahhh
