The Unknown

Imagine Dragons

Woman help me You turn my head in circlesMama blessed me With magnet eyes for purple Oh so let me show you something goodPastor, Preacher I want to say I'm sorry Nice to meet ya I think my eyes are starry Pledge allegiance to my only ... Sooner or later it all comes around Hopefully then I will see After the people and places are gone You will come back, you will come back to me, to me, to me You will come back to me, to me, to meAuntie Mara I think you know my reasons I was a product of everything in season Oh so heavy Set me free againOh my papa If all the world could know you You could stop a thousand wars across the globe Oh I miss ya Show them something good Sooner or later it all comes around Hopefully then I will see After the people and places are gone You will come back, you will come back to me, to me, to me You will come back to me, to me, to me, to me, to me Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
