

# Double Helix

## Death Grips

bangin bones on roland  
jungle rottin  
chicken skeletal system bombin  
unidentified genre abductor  
hit it from the back  
formula fucker  
hooded executor of  
cookie cutter  
cant wait ta pull dat trigger shut gunnerso you really wanna know  
cock the hammer  
droppin thunder  
double helix stopper under  
influence of dat  
head knock what a  
o fuckin g, whata uh  
o fuckin g, fuck it up  
bitch you dont know me  
run it blood ride reel ta reel low key  
hows it feel, feel, feel, easy  
make it bloody, make it bloody  
aint really nothin else  
i see any more  
gone in the cause  
im bleeding for(so you really wanna know how i freak it)  
double helix  
live in a trance cant see you  
dont want to anyway anywhere  
whatd you say forgot you were even there  
head float astray,  
clear the air  
be back when you think im gone  
blue jay way, dont belong  
double helix phoenix  
from beyondrorschach ink blot  
in the street  
skid row mark  
show me the beast  
im the lust, you cant hide  
that balled up, fist gut inside  
strapped ta, suicide  
missions set off  
with so much pride

you can see it  
in a dead mans eyes  
so you really wanna know...  
no maps wit directions  
no answers, just questions  
second guessing everything you swore was so cant  
tell you what ta do  
but i'll tell you why i threw  
all the rules out da window  
and took an oath to be true  
wit da one and only view  
a man can ever truly know (know)been there and back  
'nuff tracks i am  
the rail to the road  
we run like scam  
drop it on the one  
and its on like damn  
well i never thought  
uh huh, oh yeah  
like i didnt know  
wake up young blood  
aint nobody sleepin  
and they never was  
off the cliff in a blur of black blood and hoodou hexin guts i thought you heard dem ghetto  
birds hollarin everytime i bust  
swallow it down and lap it up cant do that, im a have ta cut  
double...(so you really wanna know)  
double helix
