What's on Your Mind (Pure Energy)

Information Society

I wanna know
What you're thinking.
There are some things you can't hide.

I wanna know

What you're feeling.

Tell me what's on you mind.

Here I am in silence

Looking round without a clue.

I find myself along again.

All alone with you.

I can see behind your eyes

The things that I don't know.

If you hide away from me

How can our love grow?

I wanna know

What you're thinking.

There are some things you can't hide.

I wanna know

What you're feeling.

Tell me what's on your mind.

I know I could break you down

But what good would it do?

I could surely never know

That what you say is true.

Here I am in silence

It's a game I have to play.

You and I in silence.

With nothing else to say.

I wanna know

What you're thinking.

There are some things you can't hide.

I wanna know

What you're feeling.

Tell me what's on your mind.

I wanna know

What you're thinking.

There are some things you can't hide.

I wanna know

What you're feeling.

Tell me what's on your mind.

I wanna know

What you'er thinking.

There are some things you can't hide.

I wanna know
What you're feeling.
Tell me what's on your mind.
