Fetty Wap

Hello?
(Hello)
What's up with you
(Nothing, what you up to?)
Shit I'm on the stove
(What you about to do?)
Shit, I wanted to let you hear something real quick Whatever is mine is yours
Everything that you need I provide and more
It's just something about you, I can not ignore
Everything that you do
I swear I adore
When you were looking my way
Sent the look on your face
I walked up and said hey
Now look where we stand today
Girl I just want to be yours
Aye, yeah, baby, aye
Squad, 17
Whatever is mine is yours
Everything that you need I provide and more
It's just something about you, I can not ignore
Everything that you do (ZooWap) I swear I adore
When you were looking my way When you feeling down gotta get you high
We gonna spend them bands, I'mma get you fly
She my Trap Queen, with her whipping pies
Stay high, see you sexier in my eyes
Where you tryna go though?
That nigga he's a dummy, he's a dodo
I swear to God I'll never let you go though
And anywhere you wanting, we can go though
Uh, for you a nigga switch it up
Trade the coop for a range, that's the family truck
Look, riding 'round with my shorty with the blinking cut
And she gonna let it go, try to stick me up
I'm like everything we want, make the ground shake
Aye baby got back, that's a pound cake
Whole squad on the grind like a skateboard
That's why everywhere we go, niggas make noise I'm like Silver Surfer baby, you can see me
swimming
Batman Benz, that's how I be dipping
Orange Lam, that's what I just rented
Big Benz Wap, my squad winning Whatever is mine is yours

Everything that you need I provide and more
 It's just something about you, I can not ignore
 Everything that you do
 I swear I adore
 When you were looking my way Seen't the look on your face

 Big house, fancy cars
 Yeah it's yours, yeah it's yours baby

 Seen you before
 Wonder what you got in store baby And I already know what you're thinking
 And we ain't gotta tell nobody, I can keep a secret You can have whatever baby, keep it
 Two hundred on the dash, taking bags out of Neiman's
 Nails done, hair done, everything did
 Cause if we gotta do it, we gotta do it big
 She buy me a pistol, I buy her a purse
 And everywhere we go, we get the His and Hers Whatever is mine is yours
 Everything that you need I provide and more It's just something about you, I can not ignore
