LYRICS

V1:

Sometimes it's hard to breathe
All these thoughts that shout at me
Try to bring me to my knees
And it's overwhelming
Darkness echoes all around
Feels like everything is crashing down
Still I know where my hope is found
And it's only You

Pre:

Oooooooh
You say You're working
Everything for my good, and
Oooooooh
I believe every word

Ch

'Cause even in the madness
There is peace
Drowning out the voices
all around me
Through all of this chaos
You are writing a symphony
A symphony
And even in the madness
There is peace
Drowning out the voices
all around me
Through all of this chaos
You are writing a symphony
A symphony

V2:

Tune my heart to your beat
Let me be your melody
Even when I cannot see
What you're orchestrating
Even when the dark surrounds
You'll never let me drown
I know that my hope is found
In the name of Jesus
