

# Perdido

## Duke Ellington

Perdido,  
I look for my heart  
It's perdido  
I lost it way down in Torito  
The day the fiesta started Bolero,  
I sway that they play the Bolero  
I kissed me the listing sombrero  
And that's when my heart departed  
High, was the sun when I held him close  
Low, was the moon when we said, "Adios" Perdido  
My heart ever since is Perdido  
I know I must go to Torito  
To find what I lost Perdido (scat)  
High, was the sun when I held him close  
Low, was the moon when we said, "Adios" Perdido  
Goodnight perdido  
I lost perdido
