

# Emotion

## Destiny's Child

It's over and done  
But the heartache lives on inside  
And who's the one you're clinging to Instead of me tonight? Ooh baby  
And where are you now, now that I need you?  
Tears on my pillow, wherever you go  
I'll cry me a river that leads to your ocean You never see me fall apart  
In the words of a broken heart  
It's just emotions that's taken me over  
Caught up in sorrow, lost in my song  
But if you don't come back  
Come home to me, darling  
Don't you know there's  
Nobody left in this world to hold me tight  
And don't you know there's  
Nobody left in this world to kiss goodnight Goodnight, goodnight, goodnight, goodnight...  
I'm here at your side  
I'm part up my all the things you are  
And you've got a part of someone else You've got to go find your shining star  
And where are you now, now that I need you?  
Tears on my pillow, wherever you go  
I'll cry me a river that leads to your ocean  
You never see me fall apart  
In the words of a broken heart  
It's just emotions that's taken me over Caught up in sorrow, lost in my soul  
But if you don't come back  
Come home to me, darling  
Nobody left in this world to hold me tight  
Nobody left in this world to kiss goodnight  
Goodnight, goodnight  
And where are you now, now that I need you?  
Tears on my pillow, wherever you go  
I'll cry me a river that leads to your ocean  
You never see me fall apart  
In the words of a broken heart  
It's just emotions that's taken me over  
Caught up in sorrow, lost in my soul  
But if you don't come back  
Come home to me, darling  
Don't you know that  
Nobody left in this world to hold me tight  
Nobody left in this world to kiss goodnight  
Goodnight, goodnight
