

# Flower

Amos Lee

My heart is a flower  
That blooms every hour  
I believe in the power  
Of love Well in this lonesome meadow  
Well it's soft as a pillow  
Oh I pray that we'll go back  
To Love I'm going to reach on up over that fear  
I'm never alone won't you please be near  
I know that darkness before the dawn  
Tomorrow's coming and yesterday's gone I'm going to get my baby,  
Get up stream  
Fall asleep in her arms  
And drift away in a dream  
Gonna go out walking in the morning light  
Well I know that my tomorrow's gonna be alright  
Gonna be alright Well I never shall wither  
Well of course I forgive her  
Oh please Lord deliver me  
To love I'm going to reach on up over that fear  
I'm never alone won't you please be near  
I know that darkness before the dawn  
Tomorrow's coming and yesterday's gone I'm going to get my baby,  
Get up stream  
Fall asleep in her arms  
And drift away in a dream  
Gonna go out walking in the morning light  
Well I know that my tomorrow's gonna be alright  
Gonna be alright  
Gonna be alright  
Gonna be alright Yeah  
My heart is a flower  
That blooms every hour  
I believe in the power  
I believer in the power  
Of love, love... of love
