

# Na Na Na

## Pentatonix

Woke up whistling like the wind blows, looking out my window  
Just to see the shine

Maybe you might call it crazy how I'm acting lately  
Skipping through the sky I see so clearly why I'm always feeling free  
So I sleep when my dreams looking like reality Don't it feel like!

Na, na na na na na na na na, na, na na na na  
Don't it feel like!

Na, na na na na na na na na, na, na na na na  
Don't it feel like!

Na, na na na na na na na na, na, na na na na  
Don't it feel like!

Na, na na na na na na na na, na, na na na na  
Don't it feel like!

I know where the greener grass grows, you'll just have to follow  
To the other side

So let's go tiptoe on a tight rope, falling's only natural  
Just spread your wings and fly You'll see so clearly why I'm always feeling free  
So I sleep when our dreams looking like reality Don't it feel like!

Na, na na na na na na na na, na, na na na na  
Don't it feel like!

Na, na na na na na na na na, na, na na na na  
Don't it feel like!

Na, na na na na na na na na, na, na na na na  
Don't it feel like!

Na, na na na na na na na na, na, na na na na Bring it down like "Oh, way, oh"  
Make it sound like "Oh, way, oh"

All around like "Oh, way, oh"

Sing it loud like "Oh, way, oh"

Don't it feel like!

Na, na na na na na na na na, na, na na na na  
Make it sound like!

Na, na na na na na na na na, na, na na na na  
All around like!

Na, na na na na na na na na, na, na na na na  
Sing it loud like!

Na, na na na na na na na na, na, na na na na  
Don't it feel like!

Na, na na na na na na na na, na, na na na na
