

# Out of Our Heads

## Dropkick Murphys

Are we gonna make it, or is this how we go? (Go!)  
Are we gonna take it sitting down? (Hell No!)  
We're gonna cause a riot, we're gonna rip it up  
We're gonna storm this gates, this place is going' up Here we go, here we go  
We're out of our heads, and it's starting to show  
Here we go, here we go  
The roof is on fire and it's ready to blow Are we gonna make it, are we gonna let em know?  
(Know!)  
Are we gonna let em bring us down? (Hell No!)  
We're gonna crash party every night and everyday (Hey!)  
We got em on the run, we are full either way  
Here we go, here we go  
We're out of our heads, and it's starting to show  
Here we go, here we go  
The roof is on fire and it's ready to blow Here we go, here we go  
We're out of our heads, and it's starting to show  
Here we go, here we go  
The roof is on fire and it's ready to blow  
The roof is on fire and it's ready to blow Here we go, here we go  
We're out of our heads, and it's starting to show  
Here we go, here we go  
The roof is on fire and it's ready to blow Here we go, here we go  
We're out of our heads, and it's starting to show  
Here we go, here we go  
The roof is on fire and it's ready to blow  
The roof is on fire and it's ready to blow  
Here we go, here we go  
We're out of our heads, and it's starting to show  
Here we go, here we go  
The roof is on fire and it's ready to blow
