

# Elizabeth III: Fall from Grace

## Kamelot

Breathe in deep  
smell these halls of hate  
carve your name into these walls  
before it is too late  
cold and twisted  
they resisted  
what was i to do  
all i ever wanted was  
a fraction of the truth  
Walking in the shadows  
of my blackened mind  
lost inside this shallow  
vanity of time  
What if there's a god a hell and heaven  
fire is the torment i must face  
dying by the souls i have forsaken  
no one's going to catch my fall from grace  
(bleed on me)  
watch me from your cage  
as i rejoin my painful prime  
(suffer and exhale)  
you and i are relics  
we provoke and we recline  
Walking in the shadows  
of my blackened mind  
angels crave my sorrow  
sorrow they will find  
What if there's a god a hell and heaven  
fire is the torment i must face  
dying by the souls i have forsaken  
no one's going to catch my fall from grace  
Walking in the shadows  
of my blackened mind  
angels crave my sorrow  
sorrow they will find
