## White Lightning

## The Cadillac Three

Faster than a heat seeking missile on a mission
Faster than a bass to a hook when daddy fishing
Faster than a wanted rolls off a hen house
Faster than a whiskey shot goes down down southOoh, I saw white lightning
Ooh, I saw white lightningFaster than a queen running them red lights

Faster than the duke boys jumping that hillside Faster than Elvis could shake on rock and roll Faster than a skirt flying up on a road, I said Ooh, I saw white lightning

Ooh, I saw white lightningFaster than number three breaking every record Faster than a tree dies in the desert

Faster than a bug splattered on my windshield
Faster than you die when you take too many pillsOoh, I saw white lightning
Ooh, I saw white lightningWhite lightning, striking in the heart of VA

White lightning, oh oh yeah Ooh, I saw white lightning Ooh, I saw white lightning Ooh, I saw white lightning Ooh, I saw white lightning
