Revolution (part 1)

And now we got a revolution

Cause i see the face of things to come

Yeah, your Constitution

Well, my friend, its gonna have to bend

Im here to tell you about destruction

Of all the evil that will have to end.

Some folks are gonna get the notion

I know theyll say im preachin hate

but if i have to swim the ocean

well i would just to communicate

its not as simple as talkin jive

the daily struggle just to stay alive

Singin about a revolution

because were talkin about a change

its more than just evolution

well you know you got to clean your brain

the only way that we can stand in fact

is when you get your foot off our back
