

# Heartbreak Holiday

MKTO

Thank God winter's almost done  
And I'm just getting sober  
And it feels like I'm freezing in the California sun  
Christmas almost killed me  
New Year's gone I still bleed  
April Fool's I thought you were the one  
Now I'm holding out, fucked in life  
Skating through it on thin ice  
And it just sucks how much I'm missing you  
(Baby I hate) I freaking hate  
(Valentines Day) Valentines Day  
(I'm feeling this pain) It cuts like a blade when I think about you  
(But what can I say?) It's just so late  
(We're playing this game) It's all a charade  
A heartbreak holiday here without you  
Woah oh oh oh It's a heartbreak holiday  
You are million miles away  
Another guy, another plane  
I'm stuck without you  
I'm on a heartbreak holiday, yeah, Hotel California  
You in NYC wishin' I was there up on ya  
Baby you're so right but you left 'cuz I wronged ya  
I'm wishing I could change the way I want ya  
But you're long gone so...  
(Baby I hate) I freaking hate  
(Valentines Day) Valentines Day  
(I'm feeling this pain) It cuts like a blade when I think about you  
(But what can I say?) It's just so late  
(We're playing this game) It's all a charade  
(It's all a game) A heartbreak holiday here without you  
Woah oh oh oh You know I'm thinking about you  
You know I'm thinking about you  
You know I'm thinking about you  
Woah oh oh oh When I'm here without you...
