My Little Prayer

David Archuleta

Heavenly Father, I am grateful For your eternal presence I am learning to be patient And that you are really there Sometimes I am afraid, And I know that's lacking faith But I'm beginning to understand, That for me you have a plan Heavenly Father, I am grateful For you sending your son To die so that I live And for never giving up I'm learning everyday That I won't always have my way But I'm beginning to understand That for me you have a plan Heavenly Father, I am grateful For you hearing my prayer I am learning to be patient, And that you are really there There are answers I'm receiving No, they're not always immediate Sometimes I have felt a feeling, That's when I kneel down in prayer You show me you hear my prayer I'm amazed by how you care, Cause you hear My little prayer Song Discussions is protected by U.S. Patent 9401941.
