

The Walk

Mayer Hawthorne

So long you did me wrong
So long you did me wrong
Baby, what you're doing now you're pissin' me off
Uhh but your hair is so luxurious and your lips are so soft uuh
Anyway you slice it uh, you're doing me wrong
But I love the way you walk now and your legs are so long. Well your looks had me putty in
your hand now
But I took just as much as I can stand now And you can walk your long legs baby out of my life
So long you did me wrong
Yeah you can walk your long legs baby right out of my life
So long you did me wrong
From the moment that I met you I thought you were fine
So fine
But your shitty fuckin' attitude has got me changing my mind
Yeah Everybody tells me uuh, I need to let go, I know
But your cocoa butter skin now has got me begging for more Well your heels keep on running
through my head now
Tryin to deal but I'm coming to the end now
And you can walk those high heels baby right out of my life
So long you did me wrong Yeah you can walk those high heels baby right out of my life
So long you did me wrong
Tell me why, why you turn the blues skies cloudy gray
You know why I can't let you keep treating me this way You been jerkin' me around but me
around but I kept my eyes shut yeah
'Cause you're shaped like an hour glass but I think the time's up
Well your heart is like a black piece of coal now
And I doubt that you ever had a soul now
And you can walk your cold heart baby out of my life
So long you did me wrong
Yeah you can walk your cold heart baby right out of my life
So long you did me wrong
So long you did me wrong
So long you did me wrong
Leave me alone
So long you did me wrong
