

# Hey Maria

## Klangkarussell

I know you'll stay by me, yeah  
You are my melody, yeah  
My only perfect piece, yeah yeah  
Hey Maria  
I know you oh so well now  
Better than I know myself  
Our two hearts play like bells, yeah yeah  
Hey Maria All these years go by  
But you roll by my side  
Hey Maria  
Go ahead, run that line  
You know I got you, yeah  
Hey Maria  
All these years go by  
But you roll by my side  
Hey Maria  
Go ahead, run that line  
You know I got you, yeah  
Hey Maria (Na na na, na na na) Hey Maria  
(Na na na, na na na) Hey Maria I feel you, deep within, yeah  
Light up beneath my skin where  
I end where you begin, yeah yeah  
You lay my soul to rest now  
I'm home, I'm whole, I'm blessed  
No pressure, no gold, no stress, no no  
No no  
All these years go by  
But you roll by my side  
Go ahead, run that line  
You know I got you  
Hey Maria All these years go by  
But you roll by my side  
Hey Maria  
Go ahead, run that line  
You know I got you, yeah  
Hey Maria All these years go by  
But you roll by my side  
Hey Maria  
Go ahead, run that line  
You know I got you, yeah  
Hey Maria (Na na na, na na na)  
(Na na na, na na na) (Na na na, na na na) Hey Maria

(Na na na, na na na) Hey Maria  
(Na na na, na na na) Hey Maria  
(Na na na, na na na, Maria, hey) All these years go by  
But you roll by my side  
Hey Maria  
Go ahead, run that line  
You know I got you, yeah  
Hey Maria All these years go by  
But you roll by my side  
Hey Maria  
Go ahead, run that line  
You know I got you, yeah  
Hey Maria
