

# Make Us One

Cindy Morgan

Children below  
Fresh from the foe  
Hand'neath the moonlight  
Lord please make us one We hear the tide  
Roll through the night  
Come lead the weary  
Lord please make us one Children rejoice  
Come to the voice  
Song of the angels  
Healing the broken ones  
Seasons of Rain  
Battles Unwon  
Lead to the fountain  
Wash and make us one All hearts rejoice  
With might voice  
Make us a rainbow  
Lord please make us one  
Light in the sky  
Breath of our life  
Unite the rainbow  
Lord please make us one Make us a rainbow  
Lord please make us one
