

# Ain't So Lonely

Lucero

She smiles oh so sweetly and I ain't so lonely  
She acts like she don't need me and I ain't so lonely  
We drive down to the corner drugstore and I  
ain't so lonely  
Coca-cola and pills take a few more and I ain't so lonely  
It's been a while since I was nineteen  
It's been a while since I've seen myself act like such a fool  
How long must this go on tonight  
By myself on the long drive home I ain't so lonely  
Cause I like hearing the sad songs and I ain't so lonely
