## My Love

## **Lionel Richie**

I've been through so many changes in my life woman It's a wonder I ain't lost my mind And I ain't never said how much I need you sugar But I should need you by my sideMy love, just thinking about you baby Just blows my mind My love, just thinking about you baby Just blows my mind all the timeLife with me I know for sure it ain't be easy But you stayed with me anyway And even though you ain't gonna lose too much by leaving I'm so glad you stayedMy love, just thinking about you baby Just blows my mind My love, just thinking about you baby Just blows my mind all the time You've been my friend and you've been my lover, oh lord Honey you're everything I need You've made my love so strong now I know where I belong Oh girl you'll never have to worry Oh baby any more, any more My love, just thinking about you baby Just blows my mind My love, just thinking about you baby
