

# Train Wreck

James Arthur

Laying in the silence  
Waiting for the sirens  
Signs, any signs I'm alive still  
I don't wanna lose it  
I'm not getting through this  
Hey, should I pray  
Should I fray, to myself  
Til we're gone, to a saviour  
Who can  
Unbreak the broken  
Unsay these spoken words  
Find hope in the hopeless  
Pull me out the train wreck  
Unburn the ashes  
Unchain the reactions  
I'm not ready to die not yet  
Pull me out the train wreck  
Pull me out, pull me out  
Pull me out, pull me out  
Pull me out Underneath our bad blood  
We still got a sad song, home  
Still at home, still at home  
It's not too late to build it back  
Coz a one in a million chances  
Still a chance, still a chance  
And I would take those odds  
Unbreak the broken  
Unsay these spoken words  
Find hope in the hopeless  
Pull me out the train wreck  
Unburn the ashes  
Unchain the reactions  
I'm not ready to die, not yet  
Pull me out the train wreck  
Pull me out, pull me out  
Pull me out, pull me out  
Pull me out You can say what you like  
Coz I would die for you  
I'm down on my knees  
And I need you to be my guard  
Be my help, be a saviour Unbreak the broken  
Unsay these reckless words

Find hope in the hopeless  
Pull me out the train wreck  
Unburn the ashes  
Unchain the reactions  
I'm not ready to die, not yet  
Pull me out the train wreck  
Pull me out, pull me out  
Pull me out, pull me out  
Pull me out, pull me out
