2U (feat. Justin Bieber)

David Guetta

No limit in the sky that I won't fly for ya
No amount of tears in my eyes that I won't cry for ya
Oooh no

With every breath, that I take I want you to share that air with me There's no promise that I won't keep

I'll climb a mountain there's none too steepWhen it comes to you There's no crime, let's take both of our souls and intertwine

When it comes to you, don't be blind

Watch me speak from my heart, when it comes to you Comes to you

Cupid in a line, arrow got your name on it Oooh yeah

Don't miss out on a love and regret yourself on it Oooh

Open up your mind, clear your head Ain't gotta wake up to an empty bed Share my life, it's yours to keep

Now that I give to you all of meWhen it comes to you There's no crime, let's take both of our souls and intertwine When it comes to you, don't be blind

Watch me speak from my heart, when it comes to you

Comes to you

Want you to share that

When it comes to you

Want you to share that

When it comes to you

There's no crime, let's take both of our souls and intertwine
When it comes to you, don't be blind
Watch me speak from my heart, when it comes to you

Comes to you
