Oh i'm gonna see somehow it always seems that  
i'm dreaming of something i could never be.  
doesn't matter to me 'cos i will always be  
that pimp i see in all of my fantasies.

I don't know your fucking name.  
so what let's...

Screwing may be the only way that i can  
truly be free from my fucked up reality.  
so i dream and stroke it harder 'cos it's  
so fun to see my face staring back at me.

I don't know your fucking name.  
so what let's fuck.

All day i dream about sex.  
all day i dream about fucking.  
All day i dream about fucking.  
All day i dream about sex, yes,  
all day i dream about sex and,  
all day i dream about sex, yes,  
all day i dream about sex.

All day i dream about sex.  
all day i dream about fucking.
