

Skitzo (feat. April Efff)

Joe Bermudez

Turn this shit up yeah make it loud
Mix it up then break it down
Oh I'm the baddest chick in town
Haven't heard of me? Well hear me now
Keep it dirty bring the A
Drinkin' PBR all day
Get the fuck out of my way
Unless you wanna fight watch what you say I bet you never met a bitch quite like me.
I'm on the prowl, I want it now and yeah I'm frisky
Pr-pretty soon you'll all be screaming my name-na-na-name name
Ca-ca-carve it in your bedframe
Ah ah ah-ah
Yeah I'm fucking crazy
What's ya trying to say
Yeah I'm fucking crazy
Ah ah ah-ah
Yeah I'm fucking crazy
What's ya trying to say
Yeah I'm fucking crazy I'm fucking crazy
I'm fucking crazy
I'm fucking crazy
I'm fucking crazy
Just like matches, bring the heat
If you're hot then drop this beat
Oh get your ass up off your seat
I don't really think you wanna mess with me
I get wild just so you know
I'm like a bomb and tick I'll blow
Wind me up to watch me go
Try to keep up you're too slow I bet you never met a bitch quite like me.
I'm on the prowl, I want it now and yeah I'm frisky
Pr-pretty soon you'll all be screaming my name-na-na-name name
Ca-ca-carve it in your bedframe Ah ah ah-ah
Yeah I'm fucking crazy
What's ya trying to say
Yeah I'm fucking crazy
Ah ah ah-ah
Yeah I'm fucking crazy
What's ya trying to say
Yeah I'm fucking crazy I'm fucking crazy
I'm fucking crazy
I'm fucking crazy

I'm fucking crazy Don't try to tell me what to do because it's not how I roll
You should already know yeah I'm running the show
Don't try to tell me what to do because I'm out of control
I'm running the show, I'm fucking crazy Ah ah ah-ah
Yeah I'm fucking crazy
What's ya trying to say
Yeah I'm fucking crazy
Ah ah ah-ah
Yeah I'm fucking crazy
What's ya trying to say
Yeah I'm fucking crazy I'm fucking crazy
I'm fucking crazy
I'm fucking crazy
I'm fucking crazy
