

# Kissing a Fool

George Michael

You are far  
When I could have been your star  
You listened to people  
Who scared you to death and from my heart  
Strange that you were strong enough  
To even make a start  
But you'll never find peace of mind  
'Til you listen to your heart  
People  
You can never change the way they feel  
Better let them do just what they will  
For they will  
If you let them steal your heart from you  
People  
Will always make a lover feel a fool  
But you knew I loved you  
We could have shown them all  
We should have seen love through  
Fooled me with the tears in your eyes  
Covered me with kisses and lies  
So goodbye...  
But please don't take my heart... You are far  
I'm never gonna be your star  
I'll pick up the pieces and mend my heart  
Maybe I'll be strong enough  
I don't know where to start  
But I'll never find peace of mind  
While I listen to my heart  
People  
You can never change the way they feel  
Better let them do just what they will  
For they will  
If you let them steal your heart  
And people  
Will always make a lover feel a fool  
But you knew I loved you  
We could have shown them all  
Ba da da ah ah ah But remember this  
Every other kiss  
That you ever give  
Long as we both live  
When you need the hand of another man  
One you really can surrender with  
I will wait for you like I always do

There's something there  
That can't compare with any other You are far  
When I could have been your star  
You listened to people  
Who scared you to death and from my heart  
Strange that I was wrong enough  
To think you'd love me too  
Guess you were kissing a fool  
You must have been kissing a fool
