

# Video Killed the Radio Star

## Ben Folds Five

I heard you on my wireless back in fifty two  
Lying awake intently tuning in on you  
If I were young it didn't stop you coming through Oh-a oh They took the credit for your second  
symphony

Rewritten by machine all new technology,  
And now I understand the problems you can see Oh-a oh I met your children  
Oh-a oh What did you tell them?

Video killed the radio star  
Video killed the radio star Pictures came and broke your heart  
Oh-a-a-a oh

And now we meet in an abandoned studio  
We hear the playback and it seems so long ago  
And you remember the jingles used to go

Oh-a oh  
You were the first one  
Oh-a oh

Maybe the last one Video killed the radio star  
Video killed the radio star  
In my mind and in my car, we can't rewind we've gone to far  
Oh-a-aho oh

Oh-a-aho oh Video killed the radio star  
Video killed the radio star In my mind and in my car, we can't rewind we've gone to far  
Pictures came and broke your heart, put all the blame on vtr  
You are the radio star

You are the radio star Video killed the radio star  
Video killed the radio star  
Video killed the radio star

Video killed the radio star You are the radio star  
Video killed the radio star

Video killed the radio star You are the radio star  
Video killed the radio star  
Video killed the radio star
