

Video Killed the Radio Star

Ben Folds Five

I heard you on my wireless back in fifty two
Lying awake intently tuning in on you
If I were young it didn't stop you coming through Oh-a oh They took the credit for your second
symphony

Rewritten by machine all new technology,
And now I understand the problems you can see Oh-a oh I met your children
Oh-a oh What did you tell them?

Video killed the radio star
Video killed the radio star Pictures came and broke your heart
Oh-a-a-a oh

And now we meet in an abandoned studio
We hear the playback and it seems so long ago
And you remember the jingles used to go

Oh-a oh
You were the first one
Oh-a oh

Maybe the last one Video killed the radio star
Video killed the radio star
In my mind and in my car, we can't rewind we've gone to far
Oh-a-aho oh

Oh-a-aho oh Video killed the radio star
Video killed the radio star In my mind and in my car, we can't rewind we've gone to far
Pictures came and broke your heart, put all the blame on vtr
You are the radio star

You are the radio star Video killed the radio star
Video killed the radio star
Video killed the radio star

Video killed the radio star You are the radio star
Video killed the radio star

Video killed the radio star You are the radio star
Video killed the radio star
Video killed the radio star
