

Stay With Me

[Mia Martina](#)

Stay with me...

Stay with me...Alone she sits upon a star where am i what the hell...
Alone she knows who we are where to fly when to fall?Stay with me...

Stay with me...

Stay with me...Stay with me tonight...Alone she holds on for her life, letting go dont go far
Alone she watches from the sky whered you go? where am i?Stay with me...

Stay with me...

Stay with me...

Stay with me tonight...
