

Nadine

Chuck Berry

As I got on a city bus and found a vacant seat,
I thought I saw my future bride walkin' up the street,
I shouted to the driver "hey conductor, you must slow down.
I think I see her please let me off this bus"

Nadine, honey is that you?

Oh, Nadine. Honey, is that you?

Seems like every time I see you darling you got something else to do.
(Alternate verse: Seems like every time I catch up with you, you're up to
something new)

I saw her from the corner when she turned and doubled back
And started walkin toward a coffee colored Cadillac
I was pushin through the crowd to get to where she's at
And I was campaign shouting like a southern diplomat. Downtown searching for her, looking all
around,

Saw her getting in a yellow cab heading up town.

I caught a loaded taxi, paid up everybody's tab.

With a twenty-dollar bill, told him "catch that yellow cab."

She moves around like a wayward summer breeze,

Go, driver, go, go, catch her pretty please.

Moving through the traffuc like a mounted cavalier

Leaning out the taxi window trying to make her hear.
