

# Power of Love (Ian Pooley Remix)

Deee-Lite

I believe in the power of love (I believe)  
I believe in the power of love (I believe)  
I believe in the power of love  
I believe in the power of love Feel the power  
Let the people call me naïve  
I believe I believe I believe I believe What is it that can make a lost soul found?  
Love  
And what is it that can make the coldest day seem warm?  
Love  
And what is it that can bring a smile through to strangers?  
Love love love love  
I believe in the power of love (I believe)  
I believe in the power of love (I believe)  
I believe in the power of love  
Let them call me naïve  
But I still believe What is it that can make a lost soul found?  
Love  
And what is it that can make the coldest day seem warm?  
Love  
And what is it that can bring a smile through to strangers?  
Give it everything  
Cause what you give you get so give it everything  
Open your heart I believe I believe  
Power of power of power of love
