

# Inside Your Heaven

## Carrie Underwood

I've been down, now I'm blessed  
I felt a revelation coming around  
I guess it's right, it's so amazing  
Every time I see you I'm alive You're all I've got  
You lift me up  
The sun and the moonlight  
All my dreams are in your eyes And I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows your way And I wanna be the earth that holds you  
Every bit of air you're breathing in, a soothin' wind  
I wanna be inside your heaven  
When we touch  
When we love  
The stars light up  
The wrong becomes undone Naturally  
My soul surrenders  
The sun and the moonlight  
All my dreams are in your eyes And I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows your way And I wanna be the earth that holds you  
Every bit of air you're breathing in, a soothin' wind  
I wanna be inside your heaven When minutes turn to days and years  
If mountains fall, I'll still be here  
Holding you until the day I die  
I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows your way  
(And I wanna be inside in your heaven)  
I wanna be inside  
Where the storm blows your way  
And I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows your way  
And I wanna be the earth that holds you  
Every bit of air you're breathing in, a soothing wind  
I wanna be inside your heaven
