

# Over and Over Again (Elephante Original Remix)

Nathan Sykes

From the way you smile  
To the way you look  
You capture me  
Unlike no other From the first hello  
Yeah, that's all it took  
And certainly  
We had each other And I won't leave you  
Always be true  
One plus one, two for life  
Over and over again So don't ever think I need more  
I've got the one to live for  
No one else will do  
I'm telling you  
Just put your heart in my hands  
I promise it won't get broken  
We'll never forget this moment  
It will stay brand new  
'Cause I'll love you  
Over and over again Over and over again  
From the heat of night  
To the break of day  
I'll keep you safe And hold you forever  
And the sparks will fly  
They will never fade 'Cause every day gets better and better  
And I won't leave you  
Always be true  
One plus one, two for life  
Over and over again  
So don't ever think I need more  
I've got the one to live for  
No one else will do I'm telling you  
Just put your heart in my hands  
I promise it won't get broken  
We'll never forget this moment  
It will stay brand new  
'Cause I'll love you Over and over again Over and over again  
Girl when I'm with you  
I lose track of time  
When I'm without you You're stuck on my mind  
I'll be all you need

Until the day that I die  
I'll love you  
Over and over again  
So don't ever think I need more  
I've got the one to live for  
No one else will do  
I'm telling you  
Just put your heart in my hands  
I promise it won't get broken  
We'll never forget this moment  
It will stay brand new  
'Cause I'll love u  
Over and over again  
Over and over again  
Over and over again
