

# The Love I Found In You

[Jim Brickman](#)

You are the air I need to breathe  
The river of life inside of me  
You are the half that made me whole  
You are the anchor of my soul And you are strong when I am weak  
You are the words when I can't speak  
You never fail to see me through  
That's the love I found in you You are my shelter from the storm  
You are the road that leads me home  
And baby, with you here face to face  
Oh, I know I've found my place  
And you are strong when I am weak  
You are the words when I can't speak  
You never fail to see me through  
That's the love I found in you And once in every life  
You find the one that's right  
And when you say forever it's true  
That's the love I found in you  
You are strong when I am weak  
You are the words when I can't speak  
You never fail to see me through  
That's the love I found in you  
That's the love, love I found in you
