Galantis

Sleepless nights at the Chateau

Visualize it

I'll give you something to do

Kush-Kush wherever we go

Visualize it

I'll give you something to doTo get a wildfire burning

Visualize it

I'll give you something to doAce high, i'm going all in

Visualize it

I'll give you something to doSpread it like peanut butter jelly

Do it like I owe you some money

Spread it like peanut butter jelly

Do it like I owe you some money

Money, Money, Money...
