Innuendo

Queen

One, two, three, fourWhile the sun hangs in the sky and the desert has sand
While the waves crash in the sea and meet the land
While there's a wind and the stars and the rainbow
Till the mountains crumble into the plainYes, we'll keep on tryin'
Tread that fine line

Yes, we'll keep on tryin'

Just machine at the timeWhile we live according to race, colour or creed

While we rule by blind madness and pure greed

Our lives distored by tradition, superstition, folso religion

Our lives dictated by tradition, superstition, false religion

Through the aeons, and on and on

Yes, we'll keep on tryin'

Trad my far life

Yes, we'll keep on tryin'

Till the end of time

Till the end of timeThrough the sorrow, all through our splendour Don't take offence at my innuendo

Do-do-do-do-do

Do-do-do-do-do-doYou can be anything you want to be Just turn yourself into anything you think that you could ever be Be free with your tempo, be free, be free

Surrender your ego, be free, be free to yourself!If there's a God or any kind of justice under the sky

If there's a point, if there's a reason to live or die
If there's an answer to the questions we feel bound to ask
Show yourself destroy our fears, release your mask

Yes, we'll keep on tryin'

Tread my far life

Yes, we'll keep on tryin'

And forever will be!Keep on tryin'

Just keep on tryin'

Till the end of time

Till the end of time

Till the end of time
