

I Can't Help It (If I'm Still In Love With You)

[Hank Williams](#)

Today I passed you on the streets
And my heart fell at your feet
I can't help it if im still in love with you
Somebody else stood by your side
And he looked so satisfied
I can't help it if im still in love with you
A picture from the past came slowly stealing
As I brushed your arm and walked so close to you
And suddenly I got that old time feeling
I can't help it if im still in love with you
It's hard to know anothers lips will kiss you
And hold you just the way I used to do
Oh heaven only knows how much I missed you
But I can't help it if im still in love with you
