I Can't Help It (If I'm Still In Love With You)

Hank Williams

Today I passed you on the streetsAnd my heart fell at your feet I can't help it if im still in love with you Somebody else stood by your side And he looked so satisfied I can't help it if im still in love with youA picture from the past came slowly stealingAs I brushed your arm and walked so close to you And suddenly I got that old time feeling I can't help it if im still in love with you It's hard to know anothers lips will kiss you And hold you just the way I used to do Oh heaven only knows how much I missed you But I can't help it if im still in love with you Song Discussions is protected by U.S. Patent 9401941.
