

Sulfur

Slipknot

My guilt and my shame
Always sell me short, always feel the same
And my face and my soul
Always wear me thin, always under control
But the longest hours you'll have in your life
Are the ones you sit through to know if you're right
So I'll wait, but I'll pray that I'm wrong
Because I think I know what's going on So let me get this straight: The only will is my own
I do whatever I want and stay alone?
All my decisions make it
Untouchable and tainted
I'm gonna suffer for the rest of my life
But I will always find a way to survive
I'm not a failure, but I know what it's like
I can take it or leave it, or die
Stay, you don't always know where you stand
Till you know that you won't run away
There's something inside me that feels Like breathing in sulfur
My life is undone
I'm a sinner to most but a sage to some
And my gods are untrue
I'm probably wrong, but I'm better than you
And the longest hours I've had in my life Were the ones I went through to know I was right
So I'm safe, but I'm a little outside
I'm gonna laugh when I'm buried alive
Stay, you don't always know where you stand Till you know that you won't run away
There's something inside me that feels
Like breathing in sulfur
Like breathing in sulfur
Like breathing in sulfur Stay, you don't always know where you stand
Till you know that you won't run away
There's something inside me that feels
Like breathing in sulfur
Stay, you don't always know where you stand
(You don't always know where you stand)
Till you know that you won't run away
There's something inside me that feels
(There's something inside me that feels)
Like breathing in sulfur
Like breathing in sulfur
Like breathing in sulfur
Like breathing in sulfur

Like breathing in sulfur
Like breathing in sulfur
