

Beat Dat Beat (It's Time To)

DJ Pauly D

This is DJ Pauly D
Being a guido is a way of life
I don't represent all Italians, I represent myself
I started this whole GTL shit: Gym, Tanning, Laundry
You gotta stay fresh to danceYo, how come every time I'm DJ'ing, there be a hot ass girl but
she got an ugly ass friend
C'mon man, I ain't got no time for that
I'm only dealing with nines and tens, not no threes and fours
So if your trying to get into my DJ booth, and your trying to come home with me DJ Pauly D
Then you and your friends better come correct
There will be no grenades tonight
Where all my ladies at, make some noise!
Where my fellas at, I can't forget my dawgs make some noise!
When I'm in your city and your rockin' with DJ Pauly D
And that beat hits you, you gotta fight back
So what I need you to do is get down real low and tap that ground
Keep hitting it! (x2)
Now work your way up and fight that beat. Fight that beat!
Now pump your fists!
