Enjoy the Ride

Krewella

We were born ready Ready to be free Chasing every thrill we could see With my eyes steady Wake into a dream Aching to be thrown in the ring If nothing comes easy As long as we're breathing We'll go all the way or go home We we're born ready, wherever it leads What we have is all we need 'Cause if it's fast or slow All I really know Is I'm gonna enjoy the ride And if it's hard or soft Before we get off I'm gonna enjoy the ride Enjoy the ride 'Cause if it's fast or slow All I really know Is I'm gonna enjoy the ride Enjoy the ride'Cause if it's fast or slow All I really know Is I'm gonna enjoy the ride And if it's hard or soft Before we get off I'm gonna enjoy the ride Enjoy the ride We were born hungry Hungry for the rush Screaming when they tell us to hush Hit the ground running Leave them in the dust Only run with those we can trust If nothing comes to us We fly where it's bluest As we're ready to face the unknown We were born hungry We'll never get enough 'Cause we're only here this once'Cause if it's fast or slow All I really know Is I'm gonna enjoy the ride

And if it's hard or soft Before we get off I'm gonna enjoy the ride Enjoy the rideLet's do it again Let's make it tonight Yeah, let's go until the sky gets lighter And if it's fast or slow All I really know Is I'm gonna enjoy the ride Enjoy the ride'Cause if it's fast or slow All I really know Is I'm gonna enjoy the ride And if it's hard or soft Before we get off I'm gonna enjoy the ride Enjoy the rideLet's do it again Let's make it tonight Yeah, let's go until the sky gets lighter And if it's fast or slow All I really know Is I'm gonna enjoy the ride Enjoy the ride
