

# More Than Useless

## Relient K

I feel like  
I would like  
To be somewhere else  
Doing something that matters  
And I'll admit here  
While I sit here  
My mind wastes away  
And my doubts start to gather What's the purpose?  
It feels worthless  
So unwanted like I've lost all my value  
I can't find it  
Not in the least bit  
And I'm just scared  
So scared that I'll fail You  
And sometimes I think that I'm not any good at all  
And sometimes I wonder why  
Why I'm even here at all  
But then You assure me  
I'm a little more than useless  
And when I think that I can't do this  
You promise me that I'll get through this  
And do something right  
Do something right for once So I say if I can't  
Do something significant  
I'll opt to leave most opportunities wasted  
And nothing trivial  
That life can give me will  
Measure up to what might have replaced it  
Too late, look  
My date book  
Is packed full of days that were empty and now gone  
And I bet  
That regret  
Will prove to get me to improve in the long run  
Sometimes I think that I'm not any good at all  
Sometimes I wonder why  
Why I'm even here at all  
But then You assure me  
I'm a little more than useless  
And when I think that I can't do this  
You promise me that I'll get through this  
And do something right

Do something right for once I'm a little more than useless  
And I never knew I knew this  
Was gonna be the day  
Gonna be the day that I would do something right  
Do something right for once I noticed  
I know this  
Week is a symbol of how I use my time  
Resent it  
I spent it  
Convincing myself  
The world's doing just fine  
Without me (without me)  
Doing anything of any consequence  
Without me (without me)  
Showing any sign of ever making sense  
Of my time  
It's my life  
And my right to use it like I should  
Like He would  
For the good  
Of everything that I would ever know I'm a little more than useless  
And when I think that I can't do this  
You promise me that I'll get through this  
And do something right  
Do something right for once I'm a little more than useless  
And I never knew I knew this  
Was gonna be the day  
Gonna be the day that I would do something right  
Do something right for once
