

I Got Nothing

Dum Dum Girls

I will get stoned
Cuz I'm far from home
It leads me back
Just like a map
But what will I see
If you're not with me
What can I do
Now without you I got nothing left to say
From this day on
I close my eyes
And recall the time
Things weren't so wrong
I knew what was mine
Now I can't sleep
I'm sinking deep
I don't understand
I don't know where I am Oh I feel nothing
I feel nothing I got nothing left to say
From this day on
Unto the day
I give up my voice
And into the night
I go without choice
Haunted by time
I fear isn't mine
I don't wanna fade
I just wanna shine I got nothing left to say
From this day on
