

# Shine

## Dolly Parton

[Verse 1]

Give me a word, give me a sign

Show me where to look

And tell me what will I find

What will I find

Lay me on the ground

Fly me in the sky

Show me where to look

And tell me what will I find

What will I find[Chorus]

Yeah, oh

Heaven let your light shine down, ohh

Heaven let your light shine down, ohh

Heaven let your light shine down, ohh

Heaven let your light shine

[Verse 2]

Love is in the water

Love is in the air

Show me where to go

And tell me will love be there

Will love be there

Teach me how to speak

Teach me how to share

Teach me where to go

And tell me will love be there

Will love be there[Chorus]

Yeah, oh

Heaven let your light shine down, ohh

Heaven let your light shine down, ohh

Heaven let your light shine down, ohh

Heaven let your light shine

[Verse 3]

Give me a word, give me a sign

Show me where to look

And tell me what will I find

What will I find

Lord, teach me how to speak

Teach me how to share

Teach me where to go

And tell me will love be there

Will love be there[Chorus]

Yeah, oh

Heaven let your light shine down, ohh  
Heaven let your light shine down, ohh  
Heaven let your light shine down, ohh  
Heaven let your light shine[Verse 4]  
Oh, heaven let your light shine down  
Let it shine, let it shine, let it shine  
Heaven let your light shine down  
Let it shine  
Heaven let your light shine down  
Shine, heaven let your light shine down  
Heaven let your light shine down[Outro]  
Shine, shine  
Just give me a word  
Give me a sign, shine  
Let it shine, let it shine  
Teach me how to share  
Teach me where to go  
Tell me will love be there, shine
