

Perfect

Sara Evans

If you don't take me to Paris on a lover's getaway, it's alright, it's alright
If I'd rather wear your t-shirt than a sexy negligee, it's alright, It's alright
 Every dinner doesn't have to be candlelit
 It's kinda nice to know that it Doesn't have to be perfect
 Maybe every little piece of the puzzle doesn't always fit perfectly
 Love can be rough around the edges, tattered at the seams
Honey, if it's good enough for you, it's good enough for me If your mother doesn't like the way I
 treat her baby boy, it's alright, it's alright
If, in every wedding picture, my daddy looks annoyed, it's alright, it's alright
 Don't you know that all the fairy tales tell a lie
 Real love and real life
 Doesn't have to be perfect
 Maybe every little piece of the puzzle doesn't always fit perfectly
 Love can be rough around the edges, tattered at the seams
Honey, if it's good enough for you, it's good enough for me Oh, you don't mind if I show up late
 for everything
 When you lose your cool, it's kinda cute to me
 Hey, ain't it nice to know that we
 Don't have to be perfect
 Maybe every little piece of the puzzle doesn't always fit perfectly
 Love can be rough around the edges, tattered at the seams
Honey, if it's good enough for you, it's good enough for me Oh, you're good enough for me, uh
 huh
 Yeah, you're good enough for me
 Oh, you're good enough for me
