

# Cover of a Magazine

Deana Carter

(Deana Carter/Wendy Waldman)Man, look at that rack  
Right next to the popcorn and the battery packs  
Am I supposed to be skinny or fat?  
Hmmm?  
Sometimes I get so depressed  
Am I supposed to wears pants or a see-through dress  
My friends say that I've become obsessed  
Hmmm?I wanna be on the cover of a magazine  
I wanna be on the cover of a magazine  
Hair piled high, tons of diamonds  
It all looks good to me  
How come it's such a big deal  
It's about how you look and not how you feel  
All I know is I wanna wear those heels  
Yeah  
Every day, everywhere you look  
For \$2.99 you get to sink your hooks  
In the lives of heroes, in the lives of crooks  
It's all goodI wanna be on the cover of a magazine  
I wanna be on the cover of a magazine  
Hair piled high, tons of diamonds  
It all looks good to meI'm gonna wear a little pillbox hat  
I'll be showing you this, I'll be showing you that  
I finally get to be the homecoming queen  
My mom and dad will be so proud of me  
I wanna be on the cover of a magazine  
I wanna be on the cover of a magazine  
Hair piled high, tons of diamonds  
It all looks good to me
