la da da da  
la la la la la Woke up  
ooh yea  
gettin money  
ooh yea  
so what  
why ya care  
thats life  
and life isn't fair  
why the government wanna try me  
i already know they don't like me  
know that i need a hum v  
i don't care if you don't like me  
cause im rich  
dont care if you don't like me  
cause im rich  
don't care if you don't like me  
(REPEAT TWICE)  
i got rich people problems  
only way to solve um  
keep on gettin rich, richer and richer  
i need every single dollartough cookie  
ooh yea

on my  
first day  
take me, straight to the bank

i already know she don't like me  
say im gettin money-yea i might be  
i don't care if you don't like me
